An Ignatian Silent Retreat

Ignatius of Loyola integrated his mystical experiences of the Trinity, Jesus Christ, Humanity, the Church and the universe with profound pastoral experience. The fruit of this blend is the Spiritual Exercises of St. Ignatius. This year, for the second time, University Ministry is offering a three-day silent retreat grounded in the Exercises. This retreat is designed for individuals to come to know Christ more personally and to learn to lead themselves in the distinctly Jesuit Way of Proceeding. This retreat can be demanding and challenging, but also infinitely transformative and rewarding.

There is a \$25 retreat fee which helps cover the cost of room, board and Spiritual Directors.

Please circle your preferred retreat date: Nov. 6-8 Jan. 29-31 Apr. 16-18
