

Edelweiss Getaway

Sun Valley, Idaho

Enjoy accommodations for two at a charming condo in Edelweiss. Located across the street from the Warm Springs Lodge, there are several eating establishments and shopping within an easy walk. The condo is available for one week on a date that is mutually arranged with the donor.

Having never been to Sun Valley before, my wife and I were excited to ski, relax and enjoy a little après ski. The condo location could not be better, 200 feet from the Springs Lift. We chilled by the pool and spa, were able listen to the band at the lodge all while enjoying a full view of the mountain. Great skiing, great food, great time.”
