Degree: B.A. in Art

The Art major will:

- Effectively discuss and demonstrate the visual elements and principles of organization in design theory.

- Demonstrate successful use of traditional basic drawing techniques.

- Demonstrate competency in the proper use of studio equipment.

- Be fully aware of safe use of all departmental chemistry, in ceramics, printmaking, and painting.

- Fully discuss and demonstrate all of the traditional forming methods common to ceramics.

- Fully demonstrate one or more techniques common to the printmaker’s art.

- Be able to discuss and demonstrate the techniques of oil painting.

- Be able to discuss and demonstrate the traditional, Western techniques of both linear and atmospheric perspective.

- Show a competent, fundamental understanding of art history from prehistory to the present day.

- Produce a competent body of work in one or more studio areas.
