1. This approval is for 300-400 level courses only. Lower level courses do not need this form.
2. The grade points and the credits are computed for both majors.
3. This applies only to major, minor and concentration requirements, not core requirements.
4. One course can fulfill only one requirement of the same major or the same minor.
5. No double counting of courses allowed within the core with the exception of the social justice requirement.
