On November 16, 2010, the U.S. House of Representatives designated the week of April 11, 2011 as “Undergraduate Research Week” in their measure, H. Res. 1654.

GU recognizes the value and importance of undergraduate research celebrating all types of research from Art to Zoology!

Celebrate the week with us at Spokane-area universities!

- Gonzaga University
- WSU-Spokane
- Whitworth University

Undergraduate RESEARCH WEEK
April 11-15, 2011

Find out how you can participate and to learn more about the week's events at:
