MINUTES

Advisory Council on Stewardship and Sustainability
Thurs, Feb. 18, 2010 12:10-1:10pm
CCASL House

In Attendance: Todd Dunfield, Tim Hatcher, Anastasia Wendlinger, Brittany Jarnot, Ken Sammons, Andrea Bertotti-Metoyer, Monica Bartlett, Jon Isacoff, Kari Sulenes

1. Reports from chairs of the sub-committees.
   a. Anastasia (Purchasing chair) reported that her group was continuing to work on ideas, drafting their sustainability purchasing plan.
   b. Andrea (Waste Reduction Chair) reported that her environmental sociology class had started and would begin to collect data about on-campus recycling and ways to go paperless. This data would also aid in ideas for the Waste Reduction Subcommittee.

2. Anastasia updated us on the ACSS Blackboard site.

3. Kari updated us on creating a logo for ACSS and finding a place that would print stickers with the logo and phrases such as “Don’t forget the lights!” that could be put in strategic places in GU housing to remind students of their energy and water consumption.

4. We discussed the Salvation Army garden project. Ken and Tim updated us on gardening projects that have been tried on campus in the past. A subcommittee focused on gardening was suggested.

5. The suggestion of starting another subcommittee brought up the discussion of WHO can head subcommittees. Does the person have to come from the Steering Committee or can he/she come from the General Membership? It was decided to discuss this further at another meeting.

6. Ken gave an update on energy and water use on campus.
