The MBA

The MBA is a 33-credit degree. Full-time students who have completed all the foundation courses can complete the MBA of choice in 12 months. Students who have not recently completed a business degree or equivalent course work from an accredited institution may be required to complete prerequisite foundation course work prior to gaining admission to graduate courses. Students with extensive work experience in prerequisite subjects may be able to get some of those prerequisites waived.

Average completion:

1 year full-time, 2-3 years part-time

Gonzaga University's Master of Business Administration program prepares students for careers in the rapidly changing and increasingly demanding business environment.

The **PLACEMENT** rate for MBA graduates is approximately 90% within 6 months of graduation. Many students secure jobs well before they graduate. Students are encouraged to participate in our internship program.

CLASSES are offered in the early morning, evening and during the day to accommodate those students who are employed full-time or part-time. MBA courses are offered on Gonzaga's Campus and in Coeur d'Alene in cooperation with NIC and LCSC-CdA.

TUITION for the MBA program is \$710/credit (2008-2009). The majority of MBA students receive some type of financial assistance while in the program.

Numerous **SCHOLARSHIPS** are available to resident and international MBA students. Both Gonzaga endowments and generous contributions from outside organizations make this possible.

Gonzaga offers several **GRADUATE ASSISTANTSHIPS** that pay for a portion of tuition for full-time students

Students can apply for **ADMISSION** and begin classes in the fall, spring, summer I or summer II semesters.

Gonzaga's School of Business is **ACCREDITED** by the AACSB International.

Sample of MBA Elective Courses

Dual Programs

MBA/Juris Doctor

In conjunction with Gonzaga's School of Law. The program is designed to provide business students with a thorough understanding of law and to help law students excel in business. Students are required to complete a total of 114 combined credits (9 fewer than if completed separately). Students must meet the admission requirements of both schools to be accepted into the joint program. Average completion, 3-3.5 years
