The publication of a catalogue at a given date obviously does not (and cannot be allowed to) stop the evolution of academic programs. The present catalogue depicts the current status of the programs offered by Gonzaga University, but only as of the January 1 of the year of its publication. Changes in programs do and necessarily must occur; and the University maintains a master catalogue on file in the Registrar's Office which constitutes the official status of university policy and programs at all times. Any questions regarding changes since January 1, 2003, may be directed to the Registrar's Office or to the Academic Vice President's Office.

The University does not discriminate against any person on the basis of race, religion, sex, national origin, age, marital or veteran status, sexual orientation, physical or mental impairment that limits a major life activity, or any other non-merit factor in employment, educational programs or activities which it operates. All University policies, practices, and procedures are consistent with Gonzaga's Catholic, Jesuit identity and Mission Statement.

**504 Policy:** Federal law prohibits us from making preadmission inquiry about disabilities.
