Fall 2002

Trek Program Expands for 2003

GAMP's Trek program was founded in 2002 in response to changes in the employment market. The program, launched initially in Seattle, was designed to create a forum to introduce Gonzaga's excellent students to employers throughout the Seattle region. "Because of Gonzaga's somewhat isolated location in Eastern Washington, the Trek's goal of bringing students to regional employers is an excellent complement to

GAMP's existing networking programs," says Kevin Pratt, GAMP Director.

The 2002 Seattle Trek, held January 10th and 11th, was a huge success with 120 students making corporate excursions to Microsoft, Boeing, Starbucks, REI, Washington Mutual Bank and Weyerhaeuser. Additional components featured a networking social with a keynote address and a career fair attended by 45 local and regional employers.

In spite of the region's struggling economy, nearly all employers are opting to return for the 2003 event, scheduled for January 9th and 10th. Employers are impressed with the program's simplicity and convenience. Returning again to the Seattle event are Boeing, Microsoft, Alaska Airlines, PriceWaterhouse-Coopers, KPMG, Nitze-Stagen, The Seattle Times, Washington Mutual Bank, Expeditors International, US Bank, Deloitte & Touche, Moss Adams, Wells Fargo Bank, State Farm Insurance and more. Companies

attending in 2003 for the first time include Nordstrom, Safeco, Accenture, ADIC and The Department of Corrections. Additional companies are being added daily.

Because of the success in Seattle, GAMP administrators have decided to expand the program into Portland, Oregon. The Portland event will take place in one day rather than two and is scheduled for March 10th. The event will feature the same events as the Seattle Trek, except in a more condensed format. Students will visit employers' facilities before participating in an afternoon career fair and an evening networking reception. In this first year, the goal is to include 25 employers and between 75 and 100 students and alumni. While planning is still underway, the Portland business community is embracing the idea. Nike, Tekronix and Freightliner have already signed on to be involved. Many additional employers have expressed interest as well.

For additional information, please contact the GAMP office at (509) 323-4048 or via e-mail at gamp@gonzaga.edu.

Honor Roll Recognizes GAMP Service

The GAMP Office wishes to recognize and thank the valuable mentors whose ongoing commitment is the reason for GAMP's success. GAMP continues to win national awards for program excellence. The kudos for these awards belongs to you, our volunteer mentors. The following honor roll is a list of our mentors, and to each of you we say, "Thanks!"

If your name has inadvertently been omitted from the honor roll, please contact the GAMP Office. They will correct the omission and will ensure your mentor profile is accurate and current.

GAMP Awards

Ignatian Medal, Outstanding Campus Program, Jesuit Association of Student Personnel Administrators (JASPA)

First Place, Alumni Relations Award, Jesuit Advancement Administrators (JAA)

Silver Award, Outstanding Achievement, Jesuit Advancement Administrators (JAA)

Bronze Award for Excellence, Council for the Advancement and Support of Education (CASE)

Innovative Program Award, National Association of Student Personnel Administrators (NASPA)

*Trevor Werttemberger ('94)
Assistant Alumni Director
GAMP Coordinator*

*Kevin Pratt
Director, GAMP Program*

New Grads and Parents

An important component of GAMP's success is the continued recruitment of mentors in specific industries or career fields. Each fall we reach out to two specific, important groups—new parents and recent graduates. Members of both groups deserve congratulations on their achievements, which are both exhausting and emotional, yet very exciting. At this time, we ask all new parents and members of the class of 2002 to become involved with GAMP.

GAMP's beauty lies in its simplicity. Anyone interested in helping Gonzaga students and alumni is welcome to participate. Mentors and mentees are matched based on commonalities, such as geographic preference or career field. Some mentees will have general questions about a specific industry, others will be actively networking and seeking to develop additional professional contacts. We hope that mentors are comfortable in both areas. Mentoring can be a fun and easy way to stay connected to Gonzaga and meet young professionals.

How the relationship is structured is up to the participants. Many mentoring

relationships involve only a brief series of meetings or specific questions. Some, however, develop into ongoing professional and personal friendships. We encourage the program participants to be creative and do what works best for them. As always, the GAMP staff is here to assist with stalled relationships and to help put mentors and mentees in touch.

As student interests and employment markets change, it becomes necessary for us to recruit mentors from specific fields. At this time, we are in need of additional mentors in the fields of Marketing, law, Advertising, Public Relations and Medicine (specifically Doctors). We encourage all new graduates and parents to join, but have specific needs in these areas.

If you are interested in learning more about becoming a mentor, please contact Trevor Werttemberger at (509) 323-4232 or gamp@gonzaga.edu. You can also learn more about the program and register on-line at www.gonzaga.edu/gamp.

Please consider joining today and becoming a part of GAMP's success!

The GAMP Newsletter is a publication of the Alumni Office, edited by Trevor Werttemberger ('94). For permission to reprint or for additional copies, contact Jennifer Diana at (509) 323-4048.
