OUTSIDE SCHOLARSHIP REPORTING FORM

In order for us to remain in compliance with federal regulations, we need to incorporate all scholarships from sources other than Gonzaga University in your financial aid award. This will also help us give you the most complete and accurate financial aid award offer as early as possible. To facilitate this, we need to know about any scholarships you will be receiving from private organizations or other agencies. A revised financial aid award will be sent to you after we process your private organizations or other agencies. A revised financial aid will be sent to you after we process your outside scholarship information. All outside scholarship will be divided equally between the fall and spring semesters on the revised award. However, many donors send the scholarship in one lump sum that will be credited to your student account as such.-

Please list all outside scholarships and corresponding dollar amount you will receive for the school year and return this form to Gonzaga's Financial Aid Office. If you are notified later of additional scholarships, please notify us in writing. Thank You!
