Listen Up!

The semester is coming to a close, with the big hurdle of exams between you and your Christmas Break. Many of you will be leaving your off campus residences for the holiday season, and the Office of Student Life wants to wish you a happy holidays, and offer some tips about leaving your residence for the break. We want you to have the proper information you need to make your time away from campus worry-free.

Leaving Your Car Here Over Break?

Here’s how it works:

- No permit is required but you must sign up at the Campus Security office. Vehicles not signed up for the break will be cited.
- Parking is limited to the green lot on Boone Ave. between Cincinnati and Hamilton. (Don’t park in the David’s Pizza lot on the north side of the street!)
- Parking is first-come, first-served. No additional lots will be available.
- Vehicles parked in any other University lot without the proper permit will be cited.
- Parking is at your own risk. The University assumes no liability for theft or damage. Although we have a lower crime rate than the neighborhood in most cases, we still have crime on campus.
- You may park your vehicle between Tuesday, December 11 at 5 pm and Sunday, January 13 at 7 am. Vehicles parked before or after these times will be cited.
- To sign up you can visit the Campus Security office (Welch hall lower level), call 323-6147 or email rorholm@gonzaga.edu Please provide make, model, color, license plate number and contact phone number.

Gonzaga University
Student Life Office
College Hall 120
323-4100
Suggested Instructions:

- Take all valuables (i.e. jewelry, money, computers, iPods) with you.

- Ensure that all door and window locks are functional and locked when you leave. If your locks are not working properly, inform your landlord. If you are last of your roommates to leave, double check the locks!

- Invest in an automatic timer for your lights, and set it according to your normal daily routine.

- Close curtains and blinds.

- Stop your mail and newspaper services.

- Plan to dispose of all your garbage properly and according to the schedule of your neighborhood.

Things To Remember:

- Christmas trees need to be unplugged or disposed of.

- Your heat should be turned down to about 60 degrees so pipes don’t freeze. DON’T TURN THE HEAT OFF.

- Clean out refrigerator so you don’t come back to mysterious items.

- Unplug small appliances (i.e. coffee pots, alarm clocks, unplug extension cords etc.)

**If you leave your car, remove any visible items and have someone check it occasionally. Make sure all doors are locked as well!**

Noise Reminder:

- Remember off campus students have finals too, so be respectful of each other.

NEED A RIDE?
GSBA Airport Shuttle
