Love cannot remain by itself — it has no meaning. Love has to be put into action and that action is service.
~ Mother Teresa
Gonzaga’s Half Day of Service Benefit

Did you know that every staff member is supported in taking a half day off of work each calendar year to do community service? Gonzaga seeks to provide opportunities for our staff and faculty to embody the mission. Our benefits include a paid half day benefit to those who wish to serve our local community.

What to you need to know:

⇒ Prior to taking the time off, you must obtain permission from your supervisor.

⇒ Opportunities to use the half-day community service benefit abound. You can use your community service hours to participate in a Gonzaga-sponsored Day of Service or volunteer time at a local not-for-profit organization or church.

⇒ You can use your allotted hours all at once or spread them out over the course of a calendar year.

⇒ When you utilize your community service hours, remember to note this time by entering the appropriate number of hours using the “Community Service” field.

The possibilities to make a positive difference in our local community are endless!

Staff Days of Service

Staff Assembly sponsors “Staff Days of Service” throughout the year. These opportunities engage staff across the university in service projects that directly benefit members of the Spokane community. Watch your email for notification about these events.

Gonzaga CARES Initiative

Gonzaga University is more than just an employer and a place of work. It’s an institution guided by particular beliefs and values. These values not only foster a sense of community but of family to its members. The CARES initiative is simply the physical manifestation of the desire and investment of GU staff in supporting their fellow members.

The CARES initiative creates and supports a network of volunteers to provide assistance to employees in need. Examples of this assistance might be any one of the following:

- Transportation to doctor appointments
- Transportation of children to school
- Providing/preparation of meals
- Light housekeeping
- Grocery shopping
- Other basic needs

To become a CARES volunteer go to: www.gonzaga.edu/staff Select “CARES” from Navigation Menu
