

The Peer Advisor Group was jointly developed by Human Resources and the Staff Assembly to provide employees with an additional resource to consult on a variety of workplace issues.

# Peer Advisor Group

The Goal of the program is:

- ◆ To provide employees with a confidential, objective and neutral person trained in university policies & procedures and effective communication skills who is available to spend focused time and attention helping employees resolve work-related issues

If you would like to consult with an Advisor, please contact one of the following people:
