

## 12-month Enrollment 2018-19

Institution: Gonzaga University (235316)  
User ID: P2353161

### Overview

#### 12-month Enrollment Overview

The 12-month Enrollment component collects unduplicated student enrollment counts and instructional activity data for an entire 12-month period. Using the instructional activity data reported, a full-time equivalent (FTE) student enrollment at the undergraduate and graduate level is estimated. Institutions with Doctor's - professional practice students will also report the FTE enrollment of those students. NCES uses the FTE enrollment to produce indicators such as expenses by function per FTE as reported in the IPEDS Data Feedback Report.

#### Data Reporting Reminders:

- All institutions must use the July 1 - June 30 reporting period.

- Credit hours
- Both contact and credit hours (some undergraduate programs measured in contact hours and some measured in credit hours)
