History

One of the most frequently asked questions about Gonzaga University is the origin of the name. Who was St. Aloysius Gonzaga? He is an Italian Jesuit saint of the 16th century. In 1887 when Father Joseph Cataldo (pictured below), an Italian born Jesuit, founded Gonzaga College in Spokane, Washington, it seemed fitting to name the new school after his fellow Jesuit and fellow Italian, St. Aloysius Gonzaga.

Aloysius is the Latin form of Gonzaga's given name, Luigi. In English, the equivalent form would be Louis. The Gonzaga name is well known in Italy. Aloysius Gonzaga was born at Castiglione near Mantua, Italy, in 1568 to a celebrated family of wealth and prestige. As the first born son of his father, Ferrante, and his mother, Marta, he was in line to inherit his father's title of Marquis. He grew up amid the violence and brutality of the Renaissance Italy and witnessed the murder of two of his brothers. In 1576, Aloysius' parents sent him to attend the court of the Grand Duke of Tuscany, Francesco de'Medici, in Florence. Later, accompanied by his parents, he traveled to Spain to join the court of Philip II in Madrid.

In Spain, Aloysius decided he wanted to join the newly founded religious order, The Society of Jesus. His father resisted his decision and there followed a struggle of wills that continued after his return to Castiglione in 1584. But Aloysius eventually prevailed. Renouncing his right to the title of Marquis and to the vast wealth he was destined to inherit, he entered the Society of Jesus in Rome on November 25, 1585. During his early studies in Rome, he would regularly

go out into the streets of the city to care for victims of the plague. He himself contracted the disease as a result of his efforts for the suffering and died on June 21, 1591, at the age of twenty-three, six years short of his ordination as a Jesuit priest.

Even before his time as a Jesuit, Aloysius was known for his love of prayer and fasting. He received his First Communion from St. Charles Borromeo. As a Jesuit at the Roman College, he continued to devote his time to prayer and practices of austerity. His spiritual director was Robert Bellarmine who later was canonized and declared a doctor of the church. When Robert was dying, he asked to be buried next to the grave of Aloysius. Today, they rest next to each other in the church of St. Ignatius Loyola in Rome. Pope Benedict XIII canonized Aloysius in 1726, and three years later declared him to be the patron of youth in the Catholic Church, an honor later confirmed by Pope Pius XI in 1926.

Statue of St. Aloysius Gonzaga on campus, near St Aloysius Cathedral

Adjacent to our university campus is a parish church, St. Aloysius. A statue of Aloysius stands outside the church, representing the saint carrying in his arms a victim of the plague. Two miles north of the university is a Jesuit secondary school also named in honor of the saint, Gonzaga Preparatory School. Gonzaga University in Spokane is the only Jesuit university in the world named after St. Aloysius.

University Ministry's mission is to support the faith development of all students, regardless of religious affiliation and tradition. In particular, we provide resources for spiritual growth and fellowship through retreats, service projects, liturgies, music ministry, Christian Life Communities (CLCs), Theology on Tap, spiritual direction, residence hall programs and more. These activities offer students a more mature understanding of Gonzaga's Jesuit and Catholic identity as well as a deeper respect for other religious traditions.
