

# IN CASE OF AN EMERGENCY ABROAD

We work proactively to provide students with access to information about safety in each program location. The Study Abroad Office has emergency policies and procedures that we continuously review and update.

## EMERGENCIES

- In an emergency, **your first call should be to local authorities or on-site staff** as instructed during your on-site orientation upon arrival.
- Additionally, you can contact Gonzaga’s Campus Public Safety and Security Department, which maintains a 24-hour emergency hotline. Call the hotline at **(509) 313-2222** and the Study Abroad Office will get back to you immediately.
- **TIP:** Know the local emergency numbers for police, fire department and calling an ambulance. Save on-site staff phone numbers and local emergency contact numbers to your phone or keep in your wallet or purse.
