

Study Abroad Course Equivalency Sheet

Click this link: [SFS BHUTAN](#) to apply and find additional program information.

The School for Field study program has a standard course offering. Student will take a total of 18 credits on most programs offered by School for Field Studies.

Use [Program Details](#) for more specific program information.

NOTES

- To receive BIOL credit, students must have completed necessary course pre-requisites.
- Biology major participants should plan to participate during their junior year.
- B.S. candidates can earn 5 BIOL credits towards their major abroad.
- B.A. candidates can earn 3 BIOL credits towards their major.
- Biology minors can earn 1 BIOL credit towards their minor.
- All other BIOL credit earned will count towards a student's overall elective credit sum.

For each SFS course listed, student received ONE Gonzaga course equivalent to earn for credit.

Host Course	Host Course Name	GU Course	GU Course Name	Requires Approval
SFS 3040	Political and Socioeconomic Dimensions of Environment	ENVS 326	Environmental Sociology	NO
SFS 3060	Mountain Ecology	BIOL 474	Regional Ecology: Bhutan	NO
SFS 3060	Mountain Ecology	ENVS 399	Special Topics: ENVS Elective	NO
SFS 3050	Land Use, Natural Resources, and Conservation	BIOL 476	Principles of Resource Management	NO
SFS 3050	Land Use, Natural Resources, and Conservation	ENVS 330 + L	Principles of Wildlife Management	NO
SFS 4910	Directed Research	BIOL 498*	Undergraduate Research	NO
SFS 4910	Directed Research	ENVS 200	Case Studies in Environmental Science	NO
SFS 2010	Religion and Culture of Bhutan	RELI 353	Buddhism	NO

*The Directed Research project is determined after arrival on site. Therefore, the content of the project is not known until after completion of the course approval process. If a student intends to earn Biology credit for their Directed Research project, they must submit an abstract (including the hypothesis question and methods) to the Biology Department Chair for review upon return to Gonzaga. If Biology credit cannot be granted, students will receive ENVS 200 (4 credits).
