

SFS Cambodia Conservation, Ethics, and Environmental Change Course Equivalency Sheet

Click this link: [SFS CAMBODIA](#) to apply and find additional program information.

Check the [Program Details](#) for more specific information.

SFS offers a set curriculum of courses, participants will take 16-18 credits.

NOTES

- To receive BIOL credit, students must have completed necessary course pre-requisites.
- Biology major participants should plan to participate during their junior year.
- B.S. candidates can earn 5 BIOL credits towards their major abroad.
- B.A. candidates can earn 3 BIOL credits towards their major.
- Biology minors can earn 1 BIOL credit towards their minor.
- All other BIOL credit earned will count towards a student's overall elective credit sum.
- **For each SFS course listed, student received ONE Gonzaga course equivalent to earn for credit. Participants should list on the Course Pre-Approval Form WHICH course they would like to receive credit for where applicable**

Host Course Number	Host Course Name	GU Course Number	GU Course Name	Requires Signature

SFS 3820	Environmental Ethics and Development	ENVS 399	Special Topics: ENVS Elective	NO
SFS 3810	Ecosystems and Livelihoods Along the Mekong	ENVS 399	Special Topics: ENVS Elective	NO
SFS 2080	Language and Culture of Cambodia and Vietnam	MDLA 190	Intercultural Competence	YES

*The Directed Research project is determined after arrival on site. Therefore, the content of the project is not known until after completion of the course approval process. If a student intends to earn Biology credit for their Directed Research project, they must submit an abstract (including the hypothesis question and methods) to the Biology Department Chair for review upon return to Gonzaga. If Biology credit cannot be granted, students will receive ENVS 200 (4 credits).
