

SFS Chile Wild Patagonia: Fire and Ice Course Equivalency Sheet

Click this link: [SFS CHILE](#) to apply and find additional program information.

Check the [Program Details](#) for more specific information.

SFS offers a set curriculum of courses, participants will take 16-18 credits.

NOTES

- To receive BIOL credit, students must have completed necessary course pre-requisites.
- Biology major participants should plan to participate during their junior year.
- B.S. candidates can earn 5 BIOL credits towards their major abroad.
- B.A. candidates can earn 3 BIOL credits towards their major.
- Biology minors can earn 1 BIOL credit towards their minor.
- All other BIOL credit earned will count towards a student's overall elective credit sum.
- **For each SFS course listed, student received ONE Gonzaga course equivalent to earn for credit. Participants should list on the Course Pre-Approval Form WHICH course they would like to receive credit for where applicable**
