SFS Turks & Caicos Marine Resource Studies Course Equivalency Sheet

Click this link: **SFS TURKS AND CAICOS** to apply and find additional program information.

Check the **Program Details** for more specific information.

SFS offers a set curriculum of courses, participants will take 16-18 credits.

NOTES

- To receive BIOL credit, students must have completed necessary course pre-requisites.
- Biology major participants should plan to participate during their junior year.
- B.S. candidates can earn 5 BIOL credits towards their major abroad.
- B.A. candidates can earn 3 BIOL credits towards their major.
- Biology minors can earn 1 BIOL credit towards their minor.
- All other BIOL credit earned will count towards a student's overall elective credit sum.
- **For each SFS course listed, student received ONE Gonzaga course equivalent to earn for credit. Participants should list on the Course Pre-Approval Form WHICH course they would like to receive credit for where applicable**

Host Course Number	Host Course Name	GU Course Number	GU Course Name	Requires Signature
SFS 3730	Tropical Marine Ecology	BIOL 474	Regional Ecology: TCI	**NO**
SFS 3740	Principles of Resource Management	BIOL 476	Principles of Resource Management	**NO**
SFS 4910	Directed Research	BIOL 498*	Undergraduate Research	**NO**
SFS 4910	Directed Research	ENVS 200	Case Studies in Environmental Science	**NO**
SFS 3020	Environmental Policy and Socioeconomic Values	ENVS 399	Special Topics: ENVS Elective	**NO**
SFS 3740	Principles of Resource Management	ENVS 330 + L	Principles of Wildlife Management	**NO**
SFS 3730	Tropical Marine Ecology	ENVS 399	Special Topics: ENVS Elective	**NO**

*The Directed Research project is determined after arrival on site. Therefore, the content of the project is not known until after completion of the course approval process. If a student intends to earn Biology credit for their Directed Research project, they must submit an abstract (including the hypothesis question and methods) to the Biology Department Chair for review upon return to Gonzaga. If Biology credit cannot be granted, students will receive ENVS 200 (4 credits).
