

SFS AUSTRALIA COURSES

Click this link: [SFS AUSTRALIA](#) to apply and find additional program information.

Check the [Program Details](#) for more specific information.

SFS offers a set curriculum of courses, participants will take 16-18 credits depending on the program

NOTES

- To receive BIOL credit, students must have completed necessary course pre-requisites.
- Biology major participants should plan to participate during their junior year.
 - B.S. candidates can earn 5 BIOL credits towards their major abroad.
 - B.A. candidates can earn 3 BIOL credits towards their major.
 - Biology minors can earn 1 BIOL credit towards their minor.
- All other BIOL credit earned will count towards a student's overall elective credit sum.

For each SFS course listed, ONE Gonzaga course equivalent is earned for credit. Participants should list on the Course Pre-Approval Form WHICH course they would like to receive credit for where applicable.

Host Course Number	Host Course Name	GU Course Number	GU Course Name	Requires Signature
SFS 3020	Environmental Policy and Socioeconomic Values	ENVS 398	Special Topics: ENVS Social Science Elective	YES
SFS 3690	Rainforest Ecology	BIOL 380	Australia Rainforest Ecology	YES
SFS 3690	Rainforest Ecology	ENVS 399	Special Topics: ENVS Elective	YES
SFS 3700	Principles of Forest Management	BIOL 380	Principles of Forest Management	YES
SFS 3700	Principles of Forest Management	ENVS 330 + L	Principles of Wildlife Management	YES
SFS 4910	Directed Research	BIOL 380	Direct Research - Australia	YES
SFS 4910	Directed Research	ENVS 399	Special Topics: ENVS Elective	YES

*The Directed Research project is determined after arrival on site. Therefore, the content of the project is not known until after completion of the course approval process. If a student intends to earn Biology credit for their Directed Research project, they must submit an abstract (including the hypothesis question and methods) to the Biology Department Chair for review upon return to Gonzaga. If Biology credit cannot be granted, students will receive ENVS credit.
