

The time has come to certify your expected attendance plans at Gonzaga for the upcoming year. The Veterans Administration allows veterans to be certified up to one year. **Please complete the lower part of this form and return it to the Registrar's Office, CH 234, even if you are graduating or not planning to return.** ALWAYS INCLUDE PRINTED NAME.

If you desire an advance payment (**not available to Chapter 33**), please indicate this below and SIGN and date immediately underneath. We will notify you when your check arrives. REMEMBER, you may only draw the first month's payment in advance. All remaining payments will be paid normally (e.g. if you take an advance for September (paid in August), your next check is not due, nor will the VA pay it before November). Also, there must be a full calendar month between the last term you were paid and the semester you want advance pay for.

Please notify this office of any changes in mailing address, Number of Credits taken during the semester, change of major, or change of name.
