Instructions for Completing State Work Study Time Sheet

Student: Complete the <u>Student Section</u>. For the "First day hours were worked" enter the first day (month/day/year) in this pay period on which you worked. For "Last day hours were worked" enter the last day (month/day/year) in this pay period on which you worked. Enter the number of hours you worked under "Record of hours worked" next to the appropriate date. At the end of the pay period, total the "Record of hours worked" and enter that figure on the "Total hours worked" line. Read and sign the statement regarding your certification of the hours reported and your continued eligibility for the State Work Study program. Be sure to date the form on or after the last day worked. Give the form to your supervisor.

Employer: After paying the student for the hours reported in the <u>Student Section</u>, complete all of the information requested in the <u>Employer Section</u>. Line 13 (FICA) is *only* for Social Security and Medicare deductions. Line 14 (Other deductions) is for all other deductions including, but not limited to, federal withholding tax, Worker's Compensation, and health insurance. Read the employer's certification statement, then sign and print your name, and date the form (on or after the last day the student worked). Retain a copy of the time sheet for your records. Forward the original to the student's college for processing. **Important:** Complete the time sheet accurately; any blank or incorrect items may delay your reimbursement. Time sheets not forwarded to the student's college within 15 days of the end of the pay period may deny reimbursement.
