Elf on a Shelf PROPS

Foam finger

Cut along the dotted lines and then tape or glue the edges of the foam finger together, leaving an opening at the bottom for your elf's hand to fit inside.

Pennant

Cut along the dotted lines and then tape or glue a pencil, stick, skewer or toothpick to the back—or, simply hang the pennant vertically on the shelf itself.

Spike

Cut along the dotted line and position your elf's new best friend nearby!
