

Support Group for students on the Autism Spectrum

MONDAYS | JAN. 28 – APRIL 1 | 12NOON – 1P

**AT HEALTH & COUNSELING SERVICES | 704 E. SHARP
FOR *ELIGIBLE GU STUDENTS | NO COST | JOIN ANYTIME | LUNCH PROVIDED**

GROUP FACILITATOR: DR. FERNANDO ORTIZ, PH.D.

This support group provides an emotionally safe and supportive space for students on the autism spectrum. Some students with these symptoms may experience a fear related to interactions with others. They may avoid situations in which they must meet new people, interact with those they don't know well, or be scrutinized by others. This group will provide strategies on how to overcome these struggles.

For more information about this group,
how to register and *eligibility, visit
