Graduate Residence Director

29 hours/week | 10-month | Graduate Student

Department of Housing and Residence Life

Gonzaga University is currently recruiting for the position of **Graduate Residence Director** (GRD).

- Responsible for creating communities that foster personal growth and student involvement in a group of residence halls totaling 550-650 students.
- Supervised directly by a Residence Director, the GRD co-supervises with a full-time RD a large group of student staff members.
- Supports the Jesuit mission of *cura personalis* (care for the whole person) by facilitating student and community development and integrating the academic and co-curricular experiences of residents through personal interactions and the development of educational programming.
- Works with the Resident Director to mentor a Resident Assistant staff, providing challenge and support to them in the areas of their academic and job responsibilities, leadership skills, and personal growth.
- Serves on committees, task forces, and may be given special responsibilities depending on the needs of the department.

Remuneration:

- \$12,500 stipend for a 10-month position.
- High level meal plan valued at approximately \$5,700.
- Fully furnished apartment in a residence hall. Utilities included.
