### Greetings and Welcome to Fall Family Weekend,

Please accept my most sincere welcome to Gonzaga University and Spokane. For some of you this weekend marks a rather quick return to campus following orientation weekend and returning student move-in. For others, perhaps more time has passed since your last visit to Gonzaga. Please know that regardless of the time between your visits, the faculty, staff, and administration are honored that you have chosen to spend this time with us. We hope that your experience on campus reaffirms our collective belief in the strength of our community.

Fall Family Weekend is a particularly important moment in the life of the institution. Each year we welcome those who are most important to our students and invite them to enter into the student space. We strive to create an environment that allows for a shared family experience to allow you to gain insight and understanding into your student's life as a Zag.

I hope you take advantage of the events and activities planned during Fall Family Weekend. Dive deeply, or pick and choose. The weekend is designed to be flexible in all things except reconnecting with your student. That expectation is mandatory!

Enjoy the weekend and please continue to stay connected to our campus community. God's Blessings upon you and your family, always!

Sincerely,

Thayne M. McCulloh, D. Phil.  
President
