- a. Vice President
 - Meeting with Matt Lamsma tomorrow.

- All meetings (minus Academic Council sub-committee and GSBA Academic Committee meetings) are scheduled – yay!
 - Although the beginning of the year is frantic, please remember and remind your staff to fill out Zagtivities requests promptly and appropriately. We need to remember to book event space for all meetings, even if you're looking to meet in 304. Also, remember that you're not entitled to PR's and CRF's - Brady and Marlin will do the best they can to accommodate late requests, but if you're late, they reserve the right to tell you no (especially after this next week).
 - Class rep emails will be going out every Wednesday. Please send them (and me) department updates by Friday if you'd like them to be included. Emails will be submitted to Marlin by Monday for approval.
- b. Speaker of the Senate
- Final committee list will be sent out tomorrow.
 - Emailed Joan Iva Fawcett to speak at senate training. Also planning to have CCP present. Ryan will be taking headshots of all senators in the morning.
 - First senate meeting next Monday 9/9. Summer hires (Director of Campus Events, Photographer/Videographer, Weekend Events Coordinator, Advertising Manager) to be ratified by the senate. Need exec update from Michael, a report on fall festival from Taylor, and Maurie and Brady regarding the budget. Constitution quiz given.
- c. Treasurer
- We should have a final funding number around the 20th of September. At that point I will then be able to create the specific GSBA budgets for each department.
 - Although we may have a slightly lower budget, we are no longer doing orientation water bottles. If at the end of the year we are running low on funds, we do have a contingency account in place.
 - Remind your staff to submit PR in a timely manner.
