

Certification by DPLS Approved Editors Employed by Students

This form should be attached to (a) the dissertation proposal before the committee signs the proposal approval form and (b) the dissertation before the committee signs the dissertation. If the committee recommends changes to the document at the time of the signing of the dissertation, a new certification must be submitted before the dissertation is sent to the Dean.

I certify that I have provided suggestions to the student so that the attached document meets the minimum standards for academic writing and that (a) it meets all APA format requirements; (b) uses correct verb tenses; (c) uses correct forms of in-text references, correct forms for the Reference list, and that in-text references and the Reference list include the same items; and (d) the overall flow of the document, including uses of transitions and headers is appropriate.
