Adjustments for Dropped Courses

Full-time undergraduates taking 12-18 credits are charged a flat rate. Undergraduates who drop classes* but remain full-time students receive no tuition adjustment. Refunds on lab fees are given through the first full week of classes. Students, including graduate level students, who are charged by the credit hour, may be eligible for tuition adjustments for dropped courses. After classes commence, tuition adjustments for dropped courses will be computed as follows: during the first full week of classes – 100%; during the second full week of classes – 80%; during the third full week of classes – 60%; during the fourth full week of classes – 40%. No refund will be made after the fourth full week of the semester.

* Please remember that for financial aid purposes, a full-time undergraduate student must be registered for 12+ credit hours. Financial aid awards may be adjusted if you drop below 12 credits.

Complete Withdrawal from Gonzaga

Students completely withdrawing will obtain a withdrawal form and be interviewed by the Academic Advising & Assistance Office. Tuition adjustments are calculated in Student Accounts. Final adjustments are based on the effective dates of complete withdrawals* Room and board will be prorated throughout the semester. Financial aid funds will be refunded in accordance with governmental and University regulations.

* The tuition adjustment schedule for complete withdrawals is posted on the Student Accounts website at www.gonzaga.edu/studentaccounts.

The University reserves the right to change any costs and/or provisions without notice. It further reserves the right to withhold student information, including transcripts of record and diplomas, until said student’s account has been paid in full.
