DID YOU KNOW?

Grading at the Graduate Level (600 or above) -
At the graduate level the lowest grade a student can earn and still receive credit for a course is a C. Anything less than a C is treated as an F and no credit is awarded. In order to graduate all graduate students must have a cumulative GPA of 3.0 in their 600 level courses. See 2009-2011 Graduate Catalog pages 12/13 for more information.

Dropping or Withdrawing from a Graduate Course -
Students have 1 week from the first day of class to DROP a course (removes course from transcript, no grade assigned, and tuition is reimbursed). After that they can WITHDRAW (course shows on transcript with a W grade, but does not impact their GPA, and no tuition reimbursement). Students can WITHDRAW from a course up until 3 weeks of the last day of the course. Proper paperwork must be processed for both dropping and withdrawing from courses. The forms can be found on the registrars' website at http://www.gonzaga.edu/Campus-Resources/Offices-and-Services-A-Z/Registrar/Forms.asp.

Professional Certification Programs -
