Mulligan Field Scheduling Policies and Procedures

• Club Sport field/court reservation forms are available online at http://www.gonzaga.edu/Athletics/Intramurals/FacilitySchedules/default.asp.

• All practice and game requests must be submitted at the beginning of the semester at the specified deadline (deadline for practice and game requests for the Fall 2010 is August 20th) in order to receive priority field time. After the deadline, field time will be given out as available.

• Game requests are limited to all day on Saturdays and Sunday mornings (games must be finished before 12pm) or during a weekly practice time.

• Game requests take priority over practice requests.

• Field painting requests must be submitted 7 days in advance and will be painted as weather permits.

• If you have concerns regarding field painting please contact us ASAP. We have used the same diagrams over the past 6 years with some minor changes and do not know unless you notify us of anything you may or may not want, need, like, etc...

• One (1) Mulligan Field practice day/time is guaranteed for each club sport team. By sharing and maximizing field time, space and usage, more days/times may be available. Men’s and Women’s Lacrosse are the exception to this policy. For safety and liability reasons Men’s and Women’s Lacrosse must practice on Mulligan Field and can practice together, but are not able to practice with any other clubs/teams.

• Jundt Field was created as a secondary field space for club sports so please try and maximize the use of that field space.

• Club sport captains are required to contact the Director of Intramurals with any days/times they may not use that they have scheduled (practice and games) and Intramurals will do the same. As these days/times become available, an email will be sent out and field space will be given out on a first-come-first-serve basis.

• Please only have the captain or one team representative be the main contact person for each club sport for all scheduling, field painting, issues, questions and/or concerns so there is no confusion.

If you have any questions or concerns throughout the year please don’t hesitate to contact us:
