Summer 2010 Financial Aid Application

Financial assistance available during the summer terms is limited to Stafford Loans, Parent PLUS/Graduate PLUS loans, Pell Grant, and Federal and State Work Study. The 2009-2010 FAFSA is required in order to be considered for summer financial aid. The 2010-2011 FAFSA is also required unless you will be graduating in June or August of 2010.

If you are applying for Work Study only, you are not required to enroll in classes, though a portion of your earnings are expected to be saved for the upcoming academic school year (called a “Resource”). Work Study funds are awarded on a first-come, first-served basis.

We will not accept any incomplete applications or applications from students who are not registered for the number of credits indicated on this form. If your enrollment changes from the registration indicated, you must notify Financial Aid immediately.

All email correspondence, including notification of your financial aid award offer, will be sent to your GU email address only.
