Professional Development

Instructional-Related Conference

1998-1999: National Science Foundation seminar on Personnel Economics. Some of the topics covered in this seminar were included in my syllabi for ECON 312 and MBUS 610.

1995-1996: National Science Foundation seminar on Science Shakes the Foundations. Both instructional techniques and texts from this seminar were incorporated in my ECON 401 and 402 courses.

1991-1992: National Science Foundation Seminar on Laboratory Experiments for Undergraduate Instruction in Economics. Experimental approaches learned at this seminar have been used for instructional purposes in my ECON270H and ECON 305 courses and also led to publication in the Eastern Economic Journal in 1994.

Professional Development

DS: Research-Related Conference/Seminar

2019-2020: Presentation to Father General Arturo Sosa, S.J.. I was asked prepare and present an economic overview of Jesuit Wests for Father General Arturo Sosa, S.J. for his visit. My analysis focuses on a range of economic issues including housing affordability, income inequality, and population migration. We focused specifically on the how the urban/rural (east/west) divide contributes to rising economic and political tensions in the region.
