THE TARGETS ARE OUT THERE!!--The 10 ROTC Sponsor Corps girls recently toddled along, too, when the junior class cadets went to the Seven Mile Firing Range. Here, the novice shooters get some pointers from some more-than-willing instructors.

BULLET IN A (DIRT) HAYSTACK?--Just for fun, a number of the shooters sifted through the dirt embankment behind the targets to find some of the 30-caliber bullets that embedded themselves there. Gloria Allen is the dirt-sifter in the foreground.

Butte Boys to Study in Italy

These Butte young men, all students of Gonzaga University, leave New York Sept. 9 for a year's study at the Spokane institution's branch university in Florence, Italy. The Jesuit school believes such intercountry study gives its students greater overall perspective in cultural training. From the left are Don Mihelich, J. Pat Burke and James V. Schumacher. Mihelich is a junior majoring in English; Burke, a senior majoring in literature and philosophy, and Schumacher, a sophomore majoring in electrical engineering. All are graduates of Boys Central. Their parents are Mrs. Rose Mihelich, 2031 Aberdeen, widow of Anthony Mihelich; Mr. and Mrs. W. J. Burke, 1702 C St., and Mr. and Mrs. Al Schumacher, 2039 Utah Ave. (Staff pohto)
