<p>We hope that all our graduates will live creative, productive, and moral lives, seeking to fulfill their own aspirations and at the same time, actively supporting the aspirations of others by a generous sharing of their gifts. Since what is assimilated needs to be communicated if it is to make a difference, we also seek to develop in our students the skills of effective writing and speaking. Our own tradition & variety of human societies offers great possibilities for cooperation and interdependence, but at the same time presents us with the fact of widespread poverty, hunger, injustice, and the prospect of degeneration and destruction.</p>	<p>Develop critically thinking and collaborative problem-solvers with the courage to contribute to society.</p> <p>Socially Responsible Professional</p> <p>Service</p> <p>Commitment</p> <p>Competence</p> <p>Care</p>	<p>1.
