Applying to Graduate on ZAGWEB
Log into ZAGWEB by entering the secure area.
Select the ‘Student’ option.

and then ‘Student Records.’
The ‘Apply to Graduate’ menu will allow you to submit an application for graduation if you do not have a hold on your student account.

This process is necessary in order to have degree requirements officially evaluated and so that a degree can be conferred.
The ‘Term’ selection allows you to choose the academic record for any term you have attended. The most current term should contain the correct degree/major/minor/concentration information. If you are studying abroad, it may be more advantageous to select a previous term.

THIS IS NOT YOUR GRADATION TERM
This menu prompts you to select your current curriculum and then continue. If this information is incorrect, you may use the back function on your web browser and select a different term. If you need to complete a Change of Major/Minor form please contact your Dean’s Office/Program Advisor to have your records corrected before you apply.
Select a graduation date from the drop-down menu and then ‘Continue.’

**Please note:** Your graduation date is the date when you will complete all of your degree requirements. Regardless of the graduation date, the Degree Evaluation Office will plan for your participation in the May ceremony of the calendar year your degree is granted. If you plan to participate in a later commencement ceremony, please contact the Degree Evaluation Office.
Indicate your intention for attendance at the graduation ceremony in May of the year for which you are applying to graduate and ‘Continue.’
The name you select from this drop-down menu will be the name that appears in the commencement booklet and on your diploma. The ‘New’ option is your name without a middle initial.

Once you have selected a diploma name select ‘Continue.’

The name that appears in the highlighted area represents the ‘Current Diploma Name’ option in the drop-down menu below.
This screen confirms the name you have selected. It is important to note that by submitting the ‘Continue’ button, you are in agreement with your name appearing in the commencement booklet. You must contact the Degree Evaluation Office if you want your name removed from the booklet.

Select ‘Continue.’
Please note that your diploma will be sent to the Permanent address listed on your student record. If no permanent address exists, the mailing of your diploma might be delayed.

Diploma Mailing Address Selection

Your diploma will be mailed to your permanent address. You may review and change this address at any time in Zagweb. Please be aware that changes made after your graduation date may result in a delay of the receipt of your diploma.

This information can be used as an informed tool when you consult with your academic advisor regarding your degree progress. We encourage students to review their academic records on ZAGWEB anytime a change to your registration occurs (add/drop/withdraw). Doing so will provide both you as a student and your advisor, a better understanding of the impact registration changes have toward degree progress. Below are the directions for accessing and running a degree evaluation through ZAGWEB.
