Certification requirements are subject to change. You are expected to meet with your academic and School of Education advisor each semester.

Only course work in which an individual received a grade of C (2.0) or higher or a grade of pass on a pass-fail system of grading shall be counted toward the course work required for the approved endorsement program.

+ ENGL 203 should be taken instead of THEA 200 in the major, and be substituted by the Theatre Dept. Chair to count for 200, since 200 can’t count in the A&S Core as the English requirement.
