February 11th, 4:00pm -10:00pm - Female Selection Night
February 12th, 4:00pm -10:00pm - Male Selection Night

These dates and times are set. We do not offer alternative dates and times.

Note: Your specific start time is based on a random order established from the pool of "signed" applications, as of the due date.

Roommate Policy
Housing selection will be made in pairs. Make sure your roommate group is an even number. You will have the opportunity to fill a suite or apartment, but it is not required. You must fill the bedroom.

Request/Accept Roommate(s) in Advance
Do not wait until the selection step to confirm preferred roommate(s). Add your roommate prior to selection day.

Housing Options
Apartments, suites and traditional spaces will be offered on selection nights. Before your scheduled selection night, create a list of housing preferences with your roommate(s), so you’re prepared if your first choice is not available. Make a plan on how you’ll split your group if a unit is not available to accommodate your entire group.

Buildings Available
Burch, Corkery, DeSmet, Dillon, Dooley, Dussault, Kennedy, Madonna, Marian, Twohy, Welch

Disability Housing Accommodations
Students with an approved Housing Accommodation from Disability Access will be sent a selection date and time via email. The spaces available will depend on the specific needs identified by Disability Access.

Study Abroad
Not sure if you’ll be studying abroad? Apply for the full Academic Year.
Studying abroad for the Fall 2020? You will not participate in the room selection process, the Housing Office will make your assignment next fall.

Gonzaga Housing Facebook Page
The Facebook page offers:
* Status updates during the actual selection night(s) so you can stay informed as to availability during selection night.
* Roommate Finder Group

Roommate Finder
If you do not have a preferred roommate join the Gonzaga University Housing & Residence Life Roommate Finder group on Facebook.

Residence Hall Tours
Are you interested in living in a hall you haven't had the opportunity to see, yet? Tours will be offered February 6th, 7:30pm-8:30pm. Visit the hall you are interested in and an RA will show you around.

Selection Night
The student with earliest timeslot in your roommate group will log into ZagLiving, and select a space based upon availability at that time. They will assign themselves and roommate(s) to specific room(s) and bed so make sure you've discussed roommate pairings. This selection determines the keys you'll be given in the fall.
